PROGRAM CHARACTERISTICS AND PERFORMANCE GOALS

Institution Name Crowder College
Program Name AMT Welding Certificate Pipe and Plate and Fabrication
Date 11/16/2015

(Although all of the following guidelines may not be applicable to the proposed program, please carefully consider the elements in each area and respond as completely as possible in the format below. Quantification of performance goals should be included wherever possible.)

1. Student Preparation

- Any special admissions procedures or student qualifications required for this program which exceed regular university admissions, standards, e.g., ACT score, completion of core curriculum, portfolio, personal interview, etc. Please note if no special preparation will be required.

No special admissions procedures or student qualifications beyond regular college admissions and standards.

- Characteristics of a specific population to be served, if applicable.
N/A

2. Faculty Characteristics

- Any special requirements (degree status, training, etc.) for assignment of teaching for this degree/certificate.
We currently have 2 FT faculty members trained in this area. Both have expertise in various forms of welding.

- Estimated percentage of credit hours that will be assigned to full time faculty. Please use the term "full time faculty" (and not FTE) in your descriptions here.
Full-time faculty will teach no more than 15 program credit hours. Any courses that cannot be taught by full-time will be delegated to an adjunct faculty member.

- Expectations for professional activities, special student contact, teaching/learning innovation.
Participation by industry partners, and appropriate program accreditation will be encouraged and/or required for instructors and students.

3. Enrollment Projections

- Student FTE majoring in program by the end of five years.
15

www.dhe.mo.gov • info@dhe.mo.gov

205 Jefferson Street, P. O. Box 1469, Jefferson City, MO 65102 • (573) 751-2361 • (800) 473-6757 • Fax (573) 751-6635

- Percent of full time and part time enrollment by the end of five years.
An estimation of full time enrollment is approximately 75%; while part time enrollment is estimated at 25%.

4. Student and Program Outcomes

- Number of graduates per annum at three and five years after implementation.
5 graduates per annum at three years and 10 graduates per annum at five years after implementation.
- Special skills specific to the program.
N/A
- Proportion of students who will achieve licensing, certification, or registration.
N/A
- Performance on national and/or local assessments, e.g., percent of students scoring above the 50th percentile on normed tests; percent of students achieving minimal cut-scores on criterion-referenced tests. Include expected results on assessments of general education and on exit assessments in a particular discipline as well as the name of any nationally recognized assessments used.
It is anticipated that students will pass above the 80th percentile on the ETS proficiency exam
- Placement rates in related fields, in other fields, unemployed.
The expected opportunity for placement of graduates from AMT – Welding Pipe and Plate and Fabrication program into the work specific or closely related field is 95%.
- Transfer rates, continuous study.
Crowder College awards the AAS degree as a workforce preparation degree. Students seeking to transfer to a baccalaureate degree program in AMT – Welding Pipe and Plate and Fabrication or a related field may wish to pursue additional coursework as electives. The college will pursue articulation agreements with institutions who award such a degree and maintain this information for students.

5. Program Accreditation

- Institutional plans for accreditation, if applicable, including accrediting agency and timeline. **If there are no plans to seek specialized accreditation, please provide a rationale.**
Crowder College plans to seek program accreditation with the appropriate agencies.

6. Alumni and Employer Survey

- Expected satisfaction rates for alumni, *including timing and method of surveys.*

www.dhe.mo.gov • info@dhe.mo.gov

205 Jefferson Street, P. O. Box 1469, Jefferson City, MO 65102 • (573) 751-2361 • (800) 473-6757 • Fax (573) 751-6635

Through the office of Career Services, Crowder College uses the Perkins 180-day follow-up survey/questionnaire that is sent to all career and technical program graduates.

- Expected satisfaction rates for employers, including timing and method of surveys. Through the office of Career Services, Crowder College conducts its own employer satisfaction survey 300 days after students graduate. We anticipate an 80% or higher satisfaction rate.

7. Institutional Characteristics

- Characteristics demonstrating why your institution is particularly well-equipped to support the program.

Crowder College is accredited by the Missouri Department of Elementary and Secondary Education and the Coordinating Board for Higher Education. The college is also fully accredited by the Higher Learning Commission a member of the North Central Association. Crowder College provides opportunities for people to pursue associate degrees, certificate and diploma programs, plus continuing education to include: a program of Arts and Sciences directed toward transfer to baccalaureate degree granting institutions and to general intellectual enrichment, career education leading to economic self reliance both developmental and honors education to allow greater opportunity to fully exercise each individual's academic potential, endeavors to enrich life through cultural and a vocational opportunity, and partnerships with business, industry and others designed to support a great quality of life and an economic base in the community.

(Sum of C, D, and E should equal A.)

F. Requirements for thesis, internship or other capstone experience:

None

G. Any unique features such as interdepartmental cooperation:

None

STUDENT ENROLLMENT PROJECTIONS

Year	1	2	3	4	5
Full Time	10	10	10	10	15
Part Time	5	5	5	5	5
Total	15	15	15	20	20

Please provide a rationale regarding how student enrollment projections were calculated:

Based on feedback from our industry partners welding has become a desired skill. Skilled welders are needed in our service area, and this program will meet that demand.

Provide a **rationale** for proposing this program, including **evidence of market demand and societal need supported by research**:

According to the Occupational Outlook Handbook <http://www.bls.gov/ooh/production/welders-cutters-solderers-and-brazers.htm> employment in this field is expected to grow 6% from 2012 to 2022. Skilled welders with up-to training should have good job opportunities according to the handbook. Students entering this field should have good opportunities for employment, and better than average wages.

The mission of Crowder College is to build a civil, serving, literate, learning community of responsible citizens. We view the college as having an activate role in economic and social development through continuing education and customized training, directed toward improving work skills and productivity, creating a more desirable work and social environment, and adding to the general quality of life within the region. This new program will add skilled workers to this career field, and meet a growing need in the community.
